# President's Message

It seems as though it was just a short time ago that we were waiting for it to stop raining and for summer to get started. Well wait no longer summer is here and things are heating up, not only with the weather but here at your club.

The membership continues to rise, like the temperature, total membership now stands at 410. About a 50/50 split between social & tennis. Four members...Paul & Kathy Harclerode, Mike & Darlene Hamlin, Jim Mallinson and George & Bernita Stadler saw the value in the lifetime membership program that was recently started and I would like to thank them for their continuous support of the club. Along with never paying yearly dues they also receive shares of stock to the club. If you would be interested in hearing more about the Lifetime Membership program please reach out to me or Joe Donell. We can give you the details.

The annual "LTYC Red Rose Men's Pro Open" was held the 3rd weekend in June and what a great event it was. The returning champion Chris Racz took home the winner's trophy beating former champion Marcus Fugate. Dick Green orchestrated the event and I would personally like to thank him for another successful tournament. I would also like to thank Joe Donell and the tennis committee for their work behind the scene, and Lucy Longo, for all her work in front of the scene making sure the sponsors, players, and guest were happy with food and libations all weekend. A terrific job by everyone!!! But most importantly thanks to all of the sponsors, without you none of it would be possible.

Now that heat has been turned up, the flowers around the club are really taking off and looking great. Thanks to everyone who has volunteered to keep them looking nice by signing up for a week of watering. We still can use a little help with the watering schedule. There are a few open weeks still available on the calendar. It's easy to sign up, just go to the membership only area on the website and tap on the watering button or reach out to me via cell or email and we can get you started.

With August right around the corner that means it's time to mark your calendar. The biggest party of the year "The Corn Roast". For those that came last year you know what it's all about. It will be bigger and better then ever!!! The Corn Roast is my favorite party of the year and I roast the corn. August 17th is the date. The menu will offer fire roasted fresh corn on the cob, pig, and all the fixings.

Again we will have live music Stu Huggins and the Black

Hats is the band and they are back again. You might remember them from 2 years ago. They started out on the deck and finished up inside when the storm hit. They didn't miss a beat and we all danced until we shut the place down.

Like last year, we will have a corn hole tournament with prizes as well as tennis round robin with prizes. I'd like to try and have some Pickle Ball playing and Horseshoes throwing going on too. But to do all that I need some help. I need volunteers to take charge of those events. 1 or 2 people to organize each event. Call or email me and let me know how you would like to help out. It will be fun we can start earlier in the afternoon finish up in time to clean up and eat, enjoy the band, and enter the corn hole tournament.

Please sign up early for this event. Call the club to make your reservations and tell us if you will be playing Corn Hole or Tennis. Bring all your friends. You don't want to miss this one... I assure you this is a great party!!!

That's all for now and as always I'm looking forward to seeing you on the courts or in the club house

~ Greg Stauffer

# Tennis Happenings

We are having a banner years for tennis at LTYC.

## USTA Team Rules for LTYC Captains

Team captains should know if there are matches or court time scheduled directly after their scheduled match times. To be courteous to other members and visitors, ensure that your matches start on time and that time on change-overs is limited to 2 minutes in this case.

Please ensure that changes to the schedule are approved by the league coordinator **AND** Joe Donell.

Ensure that your scheduled matches appear on the club electronic calendar.

## Court Water Schedule

We are heading into the dry season. Court moisture is paramount to maintaining the current excellent condition of our Har-tru courts. To that end I have instituted a mandatory watering schedule and have lock the irrigation control box. Watering will take place Monday-Friday at 1PM and Saturday and Sunday at 3PM. If there is a conflict with these times, please contact me **AT LEAST ONE DAY IN ADVANCE** at 717.682.1933. Thank you for your support.

## Lifetime Tennis Membership

There are still lifetime memberships available however only 20 will be issued.

Remember that payment can be made over several years.

Profile of a Lifetime Member:

- Enjoys all the benefits of being a LTYC member- tennis, social, restaurant, friendships
- Vision to see the long-term financial benefit of a lifetime membership
- A member interested in an ownership stake in LTYC through club stock
- Interested in supporting the long-term financial health of LTYC
- Knows a good value when they see it

Example Life Time Membership financial benefit: (numbers are approximate)

- Example: A Single Lifetime membership price for a 65

-year-old individual is: \$4,500

- With club financing you could spread the payment out over 4 years.
- You start saving \$100/year from day one base on how the membership price was calculated.
- Assuming reasonable membership price increases, in 9 years, the regular membership price will be at least \$550/year. So that is your yearly savings after the payback period.

If you would like to specifically discuss your Life Time Membership opportunity, please contact me for a meeting. Joe Donell – Call/Text – 717.682.1933 or email to [tennis@lancastertennisyacht.com](mailto:tennis@lancastertennisyacht.com)

## Red Rose Open

“The OPEN” was another great success for LTYC. The tennis was fantastic. There were lots of fans in attendance to see these high-level players. Many thanks to all the sponsors who have supported this event for many years and a special thanks to our new sponsors. I would like to individually recognize the person who makes all this happen Dick Green. I also want to thank the other volunteers Lucy Longo, Jen Saltzer, Jay Witmer, Kristen Schlageter, and Paula Haines. Also many thanks to the enthusiastic court brushing team.

## Calcium Chloride Fund II

Thanks to all who donations to the Calcium Chloride fund this year. The first application was completed and is resulting in the courts playing very well. Please consider donating to the Calcium Chloride fund for the second treatment in August. Calcium Chloride is critical to maintaining consistent court playability, reducing dryness, and keeping dust level at a minimum. We perform two treatments per year. The cost of one full court treatment is \$120 and a donation of one bag is \$15. Donations can be made directly at the club, at the drop box on the deck, or through the club website, or any board member.

# Membership Information

## Introductory Pricing for 2019

Due to its popularity, the special intro offer is back for another year. The club is offering a special introductory price for both Social and Pay to Play Single Sports memberships for first time members. Anyone that has **never** been a member of LTYC is welcome to join as a Social or Pay to Play Single Sports member for only \$50 for the first year! Tell your friends and family about this great deal today.

## Help Us Maintain our Low Pricing

We love being able to offer great low pricing on our different membership options. The only way we are able to do this, though, is when all members support the club. There are three really easy ways to help support LTYC. First, come out for a delicious dinner at Court Seven at least once a month. With Chef Tim in the kitchen you are sure to find something you enjoy on the menu. Second, attend a few club functions throughout the year. We offer a variety of live music events, tennis socials, club favorites like Kentucky Derby Party and the Corn Roast, and parties such as the Champagne Dinner and Boos & Booze Bash. Lastly, if you are really interested in supporting your club, volunteer on a committee, run for a board position, or help with a project like the Spring Cleanup. There are numerous volunteer opportunities available throughout the year. Help support your club today!
